									Difference,*	284
										28992

* This difference occurs from a non-agreement of the two Columns headed "Pending," which non-agreement would appear to have arisen from some improper manner of bringing forward "Pending Cases" where change of Jurisdiction has occurred, and this has been particularly so at the end of 1834.

Difference,* 3

* This discrepancy arises from an inexplicable difference between the two "Pending" Columns, and possibly has resulted from some of the "Pending Cases" having been struck off the Court's File and "Returned" to the Session Judge for adjudication.
